SUBJECT : IC Staff Action on DCID 1/2 Follow-up

1. Following the current DCID 1/2 update completion at the end of January the Community Ad Hoc Group, which I chair, will turn its attention to reviewing the DCID 1/2 structure and its reaction to the DCI Objectives, KIQs, and Perspectives.

2. If at all possible, at that time I would like to table before the Ad Hoc Group a detailed IC Staff proposal for reorganization of DCID 1/2 showing similar proposed reorganization of KIQ categories so that adequate cross-walks are available from the current priority KIQs to the mid-term priorities in the Perspectives and DCID 1/2 (possibly combining the latter documents).

3. In view of the above, I suggest we get together in my office (7C28) at 10:00 am on Wednesday, 7 January and discuss how we might best prepare the IC proposal.
